# WHO WE ARE

**Sovendle Holdings** is South African petroleum company based with major focus in fuel transportation, distribution and supply.

We are a registered wholesale supplier with the Department of Mineral, Resources and Energy (DMRE).

**Sovendle Holdings** was established in 2017 as an independent BBBEE LEVEL1.

We offers high-quality diesel fuel to businesses and individuals in and around Gauteng, Mpumalanga, North West, Limpopo and Free State. We are committed to providing our customers with dependable, fast, and affordable diesel supply service.

**As a matter of fact, we are going to be known for delivering of the highest quality product at a competitive price.**

# OUR CORE VALUES

**At Sovendle Holdings we :**

**Put trust and honesty first.**

**Highest reliability** – we have the capacity to deliver.

**Efficiency** – promptness in service delivery.

**Innovation** – we strive to understand our clients process and use innovative methods to solve the problems and add value to the organization.

# OUR SERVICES

**We will do everything  
to directly benefit you.**

Our medium-term goal is to develop strategic partnerships with stakeholders, clients and other service providers that lead to long term relationships. This will help us build trust, maximize our service offerings and continue to grow together.

**WE OFFER A WIDE RANGE OF DIESEL SUPPLY SERVICES,  
INCLUDING:**

**PETROL 93 (ULP AND LRP)**

**DIESEL 50 PPM**

**DIESEL FUEL DELIVERY**

We can deliver diesel fuel to your location quickly and efficiently.

**GENERATOR FUELING**

We specialize in providing fuel for generators, and we can help ensure that your generator is always ready to go.

**TANK REFILLS**

We can refill your on-site diesel fuel tank and help manage your inventory.

**EMERGENCY FUEL SERVICE**

We offer emergency fuel delivery services to ensure that you never run out of fuel when you need it most.

# YOUR BENEFITS

## OUR COMMITMENT TO QUALITY

**Sovendle Holdings** is committed to providing our customers with the highest quality diesel fuel. We source our fuel from the most reliable and reputable suppliers in the industry, and we test every batch of fuel to ensure that it meets our high standards.

## OUR CUSTOMER SERVICE

We understand that every customer has unique needs, and we strive to provide personalized service to every client. Our friendly and knowledgeable staff is always available to answer any questions you may have and to provide assistance when you need it.

# OUR MISSION

## Empowering Lives.

To build long term lasting relationships and be the preferred fuel partner of choice to our client across all sectors.

To provide our customers with the highest quality diesel fuel, exceptional customer service, and competitive pricing.

We pride ourselves on being a reliable and trustworthy source of diesel fuel, and we are always striving to exceed our customers' expectations.

# OUR STRENGTH

**Delivering quality  
and on time!**

When we say we are about quality product and excellent service, we mean it. We are aware of what is happening in the market. We do conduct research to improve our services and stay up to date with the energy sector (DMRE). Our commitment to have the right people and right resources to deliver the best for you, is at the core of our business.

## **WE KNOW WE CAN SERVICE YOU WELL BECAUSE :**

Young, energetic and have the required skills to run the business. Committed and determined – we are available almost 24/7 to ensure that all queries are attended to timely. We learn daily and are dynamic – our choice of business partners reflects our willingness to learn from the best for the benefit of our business and our clients. Technology savvy and solution driven; hence we ensure our offer response to the needs of our client.

We have exceptional support from suppliers and have built strong relationships with all our stakeholders, especially our clients and suppliers. We believe that the sustainability of our business depends how well we maintain those relationships. Trust and Integrity is paramount in the manner in which we deal with our stakeholders. We believe in the importance of compliance to all regulations governing the industry, therefore we only source from the best

# OUR PEOPLE

Our team comprises of industry experienced entrepreneurs that are involved in the day-to-day running of the business to make sure that the services are adequately tailored and delivered.

**Our people are our biggest asset and with all our combined forces we are able to achieve our promise on delivery.**

We have a marketing team that is responsible for sourcing, selling, order processing, sales follow-up calls and the financial team that is responsible for procurement, invoicing, payments and collections.

The leadership of the company is young, professional, focused, and energetic and is always willing to learn from its mentors and experienced stakeholders so that we do things right first time. Our Company has therefore drawn interest from highly respected individuals both in business and energy sector, enabling us to undertake available petroleum distribution activities with pride and confidence. Sovendle Holdings will ensure that we build a team that will work together towards achieving the company's vision. We will build a business that has the right structures and process in place that can support growth; a business that runs on auto pilot.

# CONCLUSION

If you are looking for a reliable and trustworthy diesel supply company in and around Gauteng, Mpumalanga, Limpopo, North West & Free State area, look no further than **Sovendle Holdings**.

With our commitment to quality, exceptional customer service, and competitive pricing. We are confident that we can provide you with the best diesel supply services available. **Please contact us today to learn more about our services and to request a quote.**
